

Non-CMS CERTIFICATE 2025/2026

To who it may concern,

We inform you that all organic and untreated vegetable seeds in our Organic Market gardening guide 2026 "VOLTZ Maraîchage" are not, to our knowledge, derived from CMS genetics (*Cytoplasmic male sterility*).

This certificate is issued upon request for whatever legal purpose it may serve.

Yours faithfully,

Hugo Bony

Chief Executive Officer

VOLTZ
